**PLEASE JOIN US AS A TABLE HOST** of Angel Foundation's Annual Angel Gala, "A Million Dreams", on Saturday, January 27, 2024. Our goal is to raise \$1 Million to support adult cancer patients and their families across Minnesota. As our largest fundraiser of the year, the Angel Gala connects those who have been touched by cancer for a meaningful evening and celebration of the cancer care community.

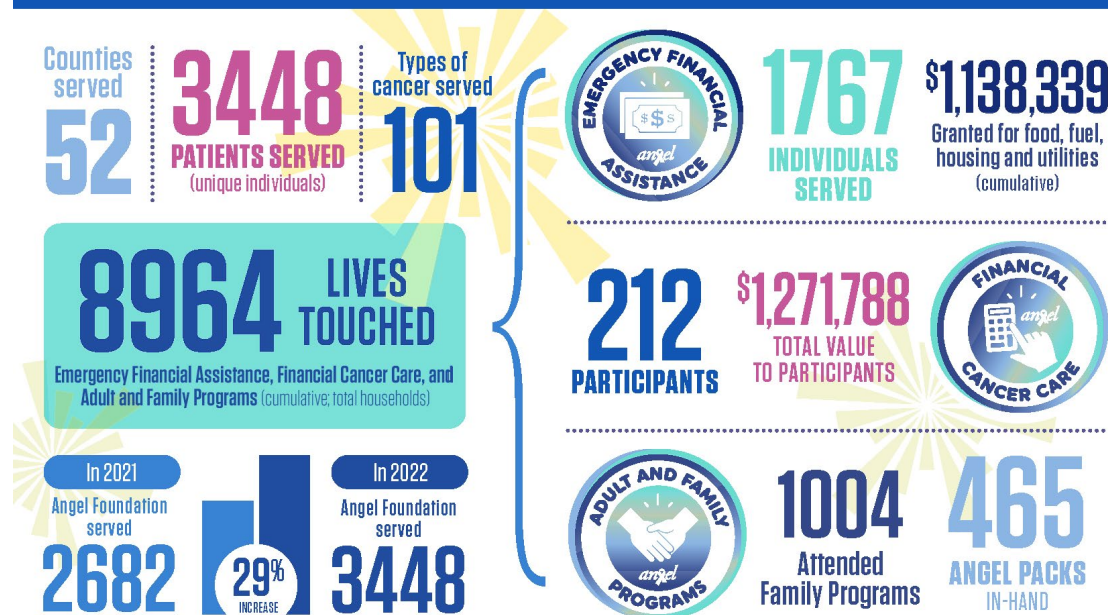

## HOW WE HELP

For twenty-two years, Angel Foundation's programs have provided critical resources to cancer patients along their journey. Since 2001, we have granted \$13 Million in Emergency Financial Assistance and provided educational, emotional and social support services to more than 45,000 individuals.

## MAKE A DIFFERENCE

The cost of cancer can be a financial burden on many families, forcing decisions between paying rent or buying groceries. Often we hear about patients struggling to pay for transportation to and from treatment or sacrificing basic needs to fill their prescription medicine. Your support can help alleviate these stress factors and allow patients to focus on survivorship.
