PRESS RELEASE

Cindy Chandler joins Angel Foundation Board of Directors

MENDOTA HEIGHTS (August 30, 2018)— Angel Foundation is excited and honored to announce that Cindy Chandler has joined our Board of Directors. Board Chair Dawn Kessler said, "We're thrilled to have Cindy join the board. She brings additional strength and leadership to a team that's dedicated to helping local adults with cancer live in the now and appreciate everyday moments of joy."

Cindy will play a key role in continuing Angel Foundation's momentum, building on a successful first half of 2017, where more local families are accessing our programs than at any other time in our history. Her commitment and dedication to non-profits, the community and improving healthcare is well known and joining Angel Foundation's board strongly aligns with her mission to serve others.

Cindy serves as a Managing Partner with Wheless Partners Executive Search, a nationally recognized search firm with a focus in healthcare and academia. She is also an active community volunteer. Her current and past board service includes Women Business Leaders in Healthcare (WBL), Juvenile Diabetes and Children's Cancer Research Fund, and Tribute to the Troops.

Please join us in congratulating Cindy on this new appointment!

If you'd like to learn more about @Angel Foundation and how you can help local adults with cancer, please visit mngel.org or contact @Kathy Tolo.
